# LOWELL SCHOOLS: We're on the *Move...*

## From Walt Hanline, Superintendent

### June 2018 Building Program Update - Beginning of Phase 2 of Planning

As of the printing of this month's Bridge, Phase One of the planning process is complete. We had a very productive meeting on May 14<sup>th</sup>, with the "Expert Committee" made up of representatives from each of the trades and two building contractors, and with the User Group on May 31<sup>st</sup>. Phase Two of the planning process will take place over the summer and conclude on September 24<sup>th</sup>, with action to be taken by the Board of Directors on the design development and the estimation of costs for the building program. We will meet with the Expert Group, on August 13<sup>th</sup>, to seek their advice in preparation for the September Board meeting. Our budget is limited, and the wish list is long. Accordingly, the process is designed to be sure we are efficient with the expenditure of both local and state funding. We want to use materials that meet our needs, yet not spend money just to be vogue. We want to construct the new building with this same philosophy in mind, and make every effort to stay within the \$8.4 million allocated.

### Lowell HS Finishes the Year as Best Overall 2A/1A Music Program in Oregon

Lowell Music pulled off another fine feat this spring, compiling the best combined finish by any 2A/1A school in the OSAA State Championships for Band *and* Choir. On May 3rd, the LHS Choir competed in the Choir State Finals at George Fox University; in a division historically dominated by private schools, their 6th-place finish was one of the highest ever by a public school. Then, on May 11th, the LHS Band took their turn at the Band State Finals at OSU. The reigning champs played an incredible program, and were honored to receive the 2nd place trophy for their efforts. No other small school (public or private) placed in both competitions, leaving Lowell High School to occupy a very special position in the state.

This very successful May came on the heels of an equally prolific April. The Choir was crowned League Champion by taking high score for *all divisions* at the OMEA District 10 Festival on April 4th, and were also invited to sing with the U of O's University Singers in a special joint rehearsal and clinic on April 18th. Meanwhile, on the 13th, LHS hosted its first Mountain West Music Festival. Thanks to an amazing effort from nearly all district staff, it was a resounding success, with high praise from all eight visiting schools and a well-received evening concert. The Lowell JH Band, HS Band, and HS Choir all took high scores in their respective divisions, to boot!

For our high school musicians, April ultimately culminated in a grand, four-day trip to the San Francisco Bay Area. The 55 participating students had an amazing time touring Alcatraz, Fisherman's Wharf, Chinatown, riding on the iconic Cable Cars, and spending a day at California's Great America theme park. In addition, while competing in the associated Music in the Parks competition, Lowell managed a sweep of top honors, placing 1st in Band for division, 1st in Choir for division, 1st in Choir for *all divisions*, and the "Esprit de Corps" trophy for exceptional professionalism and sportsmanship.

A few other honors worth mentioning: In 2017-2018, Lowell Music became one of the primary organizers and beneficiaries of the Eugene Symphony Orchestra exchange, which brings advanced professionals into local classrooms to work directly with students; this is a program we hope to continue in the future. Also, LHS was excited to send six musicians to the Music in May Festival at Pacific University, May 24th-26th. Seniors Tessa Ferguson, Lily Lane, and Daisy Schnee, juniors Kerra McSpadden and Ian Sotomayor, and freshman Nicky Sotomayor were all included in this annual all-Northwest invitational.

### Remaining Concerts and Events for Lowell Music:

The Lundy Spring Musical, "Alice's Adventures", debuts on Tuesday, June 5th at 7:00pm in the HS Gym. Grab your seats early for this always-packed annual show!

The Spring Band & Choir Concert (grades 6-12) will come soon after, on Thursday, June 7th (also 7pm at LHS).

Additionally, look out for these special musical performances in June, as well: HS Band at the Dexter Lake Farmer's Market on June 3rd (12pm in Rolling Rock Park), HS Choir at Baccalaureate on June 13th (7pm at LHS), and of course both groups at Graduation (June 15th, 7pm).

## Spring Sports Recap

**The Lowell High School Track and Field** team placed 2nd in District this year and sent ten athletes to the OSAA 1A State Meet at Hayward Field. Seniors Nate Roat, Thomas Ward and Cody Brooks competed at the state meet along with junior Ian Sotomayor, sophomore Taysian Williamson and freshmen Katie Chapman, Audra Chapman, Jeremiah Rodriguez, Aidden Williamson and Timmy Stratis. Nate won the pole vault competition to become the 1A State Champion. Thomas placed 8th in shot put and 7th in discus. Katie placed 7th in the 300m and 5th in the 800 races and Audra placed 6th in pole vault.

**Lowell Softball** finished 9-9 in league and 4th place. We missed going to state by one game (we needed to upset Oakland). Our girls did very well in the all league voting. Honors went to 1st team players Dayce Riberal at shortstop, Raelynn Trimble at catcher, Haley Riisberg at centerfield; and 2nd team players Alanna Beyer at 1st base and Daisy Schnee at pitcher.

**Lowell Baseball** season had a very rough start with injuries and the bad weather making it hard to practice during a very important tie of the season. We replaced a bunch of good seniors so the boys had to step up. About halfway through the season we started consistently competing with good teams and got our first wins against Mohawk. We took that momentum into the last four games against top ten teams in the state and played very well against them. My seniors were awesome, special thanks to Sean Reid and John Clarke. I'm looking forward to taking the momentum of this season and continue to grow and play the game the right way. This team has been the most resilient team I've had the pleasure of coaching and I'm proud of them all. —Coach Kody Eidenschink

**Junior High Track** had another amazing turnout for middle school track with 36 boys and 14 girls! The team ended strong, with 7th/8th grade girls and boys and also 5th/6th grade boys and girls overall scores earning them first at District!

Congratulations to all these hard working athletes! Special thanks go to the coaches, family members and community members for their support in helping these students succeed in sports and life.

### Student of the Month: Issac Hill

Issac Hill is our Junior High Student of the Month. His parents are Kristen and Michael Hill. He has three siblings. Issac is a joy to have in our school district. He is always helpful and eager to help others. His favorite activities are sleeping, reading, band and Nerd Club on Tuesday. He keeps his grades up and is a great kid to have in class. In his free time he likes to play video games, read and talking things through on how they work.

Congratulations Issac!

### 1A State Pole Vault Champ: Nate Roat

Congratulations on our newest state champion, Nate Roat. Tied for first, Nate won a jump-off by clearing 12' 6" to win. Congratulations Nate!

## **City Beat** by City Administrator Jared Cobb

### **Affordable Housing Incentives**

Like much of Oregon, the City of Lowell is currently experiencing a housing shortage. Staff and the City Council have begun to look at opportunities where we can increase the supply of housing and improve affordability. At the April 17 meeting, the City Council reviewed and approved a recommendation from the Economic Development Committee to allow for the deferral of System Development Charges (SDCs).

SDCs are fees assessed to new development. These fees are collected to help offset the impact development projects have on the City's infrastructure, including parks and recreation facilities, stormwater, water, sewer, and street systems. Each new housing unit is assessed a fee for each type of public infrastructure to cover its "fair share" of improvements to the system. The City of Lowell charges SDCs of \$8,925 per unit.

Previously, SDC fees were collected at the time a building permit was issued. Under the new policy, builders may elect to defer payment until one of the following events occur:

- 18 months from the issuance of a building or other development permit
- Change of ownership of the developed property
- Refinancing of a construction loan

The new program will serve to reduce the out of pocket and/or financing costs during construction. To ensure payment, builders will be required to enter into an agreement with the City which stipulates the date SDCs are due and payable, and the placement of a lien on the property and all improvements in the amount of the deferred SDCs. Certificates of occupancy will only be issued after the deferred SDCs are paid in full.

### **Lowell Beautification Day**

The 2018 Lowell Beautification Day was a great success! More than 40 volunteers participated. By the end of the event all three Sanipac disposal containers were filled, both covered bridges were painted, and other special projects were completed. The City Council and staff would like to thank our community partners for their participation, including the Lowell Fire District, Lowell School District, Bridge Charter Academy, and Sanipac. We look forward to next year!

### **Board and Committee Vacancies**

The City is accepting applications for the Parks and Recreation Master Plan Steering Committee. All interested residents and non-residents (as applicable) are encouraged to apply. Applications may be picked up at City Hall or downloaded online at [www.ci.lowell.or.us](http://www.ci.lowell.or.us). *Applications will be accepted until all positions are filled.*

**Lowell City Council Actions**

**Dexter Lake Farmers’ Market Begins June 3rd — Yard Sale on June 23rd**

Our community market opens Sunday, June 3rd from 12-4 p.m. at Rolling Rock Park. We are pleased to offer fresh, organic vegetables and humanely-raised meats, from local farmers. We also have vendors offering art, upcycled handbags, fishing lures and exotic walking sticks.

This year we are eager to add a children’s activity center, The “Free Rangers” booth so parents can take a break and enjoy the Cosmic Country Americana music of Kassi Valazza, as well as the Lowell HS Band. While enjoying the music (and we hope the sunshine), try some of the food prepared by Kyle Shepherd using the pork from Quick Bear Farm.

Each month the market will have a theme. June is personal wellness, so for our first market, look for the Lowell Fire Department, which will be giving free blood pressure checks to get us all ready for the summer fun ahead at the lake.

The Dexter Lake Farmers' Market is planning to hold a yard sale on June 23rd from 9:00 a.m. until 2:00 p.m. at the Topsy Duck Tavern on Hwy 58 (formerly My Place). All proceeds go to the market, and it is linked with other community yard sale markets scheduled for the same day. We will be circulating a map of the sites so customers can make a tour of the sales in the area.

Check out your market on Facebook, or at [www.dexterlakefarmersmarket.org](http://www.dexterlakefarmersmarket.org). We look forward to the spending the summer with you as neighbors.
