School Goals

Lundy strives to promote student success through rigorous academics and a positive school culture. Lundy has adopted the most current research based and state approved curriculum. Every student's data is reviewed monthly so we can monitor and adjust as needed. All staff have access to and receive professional development for the implementation of curriculum.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Lundy provides an open door policy to all parents and community members who are interested in volunteering. We welcome families and community members into the classrooms and at all events. We ensure the safety of our students and staff by following all correct protocol and procedures. All staff members attend yearly trainings and discussion opportunities to help promote student and staff safety.

COMMUNITY ENGAGEMENT

Lundy continues to provide many opportunities for positive community engagement. We partner with community agencies to bring in resources for our students and we hold many community meetings about happenings at the school. We have an up-to-date Parent-Teacher organization as well as a Site Council that meet monthly.
