DATE: 9/14/15

**NOTICE OF HERBACIDE APPLICATION ON 9-18-15**

Application of herbicides will be taking place on Friday, September 18th at 1:00 PM, along the perimeter of Lundy Elementary and Lowell High School.

The following herbicides will be used: GlyStar Pro (EPA REG. #42750-61).

The purpose for this application is to eliminate weeds that are damaging sidewalks and other right-of-way areas.

If you have any questions or concerns regarding this process, please contact Ben Silebi at (541) 844-5663.
