Public Complaints

No staff, student, parent or community member will be denied the right to petition the Board for redress of a grievance, complaints will be referred through the proper administrative process for resolution before investigation or action by the Board. Exceptions are complaints that concern the superintendent or involve Board actions or Board operations.

The Board advises the public there is a proper process for resolving complaints, including but not limited to concerns in the following areas:

1. Instruction;
2. Discipline;
3. Learning materials; or
4. Retaliation against a student or a student's parent who in good faith reported information that the student believes is evidence of a violation of state and federal law, rule or regulation.

Community members, staff, parents and students who have a complaint are encouraged to start at the lowest level in the organization to attempt to resolve the complaint.

The following order will be used unless otherwise identified (see administrative regulation KL-AR - Public Complaint Procedure for specific procedures and timelines):

1. Teacher/Employee;
2. Principal;
3. Superintendent;
4. Board.

Any complaint about school personnel other than the superintendent will be investigated by the administration before consideration and action by the Board. The Board will not hear complaints against employees in a session open to the public unless an employee requests an open session.

Complaints against the principal may be filed with the superintendent.

Complaints against the superintendent should be referred to the Board chair on behalf of the Board.

Complaints against the Board as a whole or against an individual Board member should be made to the Board chair on behalf of the Board.

Complaints against the Board chair may be made directly to the [district counsel] [Board vice chair] on behalf of the Board.

The superintendent will develop and administer the general complaint process, as appropriate.

If a complaint alleges a violation of state standards or a violation of other statutory or administrative rule for which the State Superintendent of Public Instruction has appeal responsibilities, and the complaint is not resolved at the local level, the district will supply the complainant with appropriate information to file a direct appeal to the State Superintendent as outlined in Oregon Administrative Rule (OAR) 581-022-1940.

The principal shall evaluate the complaint and render a decision within five working days after receiving the complaint.

The Superintendent: Step Three

If Step 2 does not resolve the complaint, within 10 working days of the meeting with the principal, the complainant, if he/she wishes to pursue the action, shall file a signed, written complaint with the superintendent clearly stating the nature of the complaint and a suggested remedy. (A form is available, but is not required.)

The Board may hold a hearing to review the findings and conclusion of the superintendent, to hear the complaint and to hear and evaluate any other evidence as it deems appropriate. Generally all parties involved, including the school administration, will be asked to attend such meeting for the purposes of presenting additional facts, making further explanations and clarifying the issues.

The Board may elect to hold the hearing in executive session if the subject matter qualifies under Oregon Revised Statutes.
