

## FOOD SERVICE AND DELIVERY SCHEDULE CHANGE/UPDATE

Starting **this week**, we will be changing the food service delivery schedule and will be eliminating the need to have food service on Friday. This means one less day to have to plan meal pick up or delivery for you and for us!

### The New Schedule:

Lundy Drive thru and the van routes will operate Monday, Tuesday, Wednesday, and Thursday from 11am until 1 pm, as usual.

Monday, Tuesday, and Wednesday sacks will contain a lunch, after-school supper, and breakfast for the next day, along with milk for each meal!

The Thursday sack will contain four (4) days' worth of meals and milk for the days we are not delivering/serving. This means there will be meals and milk for each child for Thursday, Friday, Saturday, and Sunday!

**\*\*A special note:** In observance of the Memorial Day holiday, we will be closed on Monday May 25th. The meals for Memorial Day will be included in the sack being distributed on Thursday May 21<sup>st</sup>. You will receive five (5) days' worth of meals and milk for each child in your household**\*\***
