

#### Week 4 Update!

One month down for in person learning for our kindergarteners through 3<sup>rd</sup> grade and having the sounds of little learners back in the school is amazing! It has also been one month for our distance learners and we couldn't be more proud! While we will always say that it isn't ideal, we are just so happy to see faces and watch our students grow and learn. Some students are even finding that they are excelling with distance learning!

Our Lundy students experienced the Great Oregon Shake Out today! Not only are our students prepared for pandemics, they can handle earthquakes like champs! Nothing will stop these kiddos!

Lowell Jr/Sr High School Students will be receiving their progress reports soon. They are hitting the mail today! Keep up the great work and don't slow down now!

Our new gymnasium has had a "soft" opening. While there are still details to complete, volleyball as well as girls' and boys' basketball have held practices in there!

Did you know that this is Principal Appreciation Month? Let's give a shout out to Ms. Edgerton at Lundy and Mr. Yakovich at Lowell. The work that goes on behind the scenes to keep our schools running would wither a normal human. That is why our principals are nothing short of superheroes! They work tirelessly to make sure kids are educated, communication goes out, staff is supported, and all of the other millions of tasks it takes to run a school. So if you have a chance, remember to thank your principal for all that they do!

Have questions or need assistance? You are always welcome to call our offices and we will do our best to help in any way we can! Lundy Elementary is 541.937.2105 and Lowell Jr/Sr High School Office is 541.937.2124.

Take care, be safe and keep learning!
