

Hello families and community,

As we have shared in the past, the Lowell School District is committed to getting our kids back in classrooms while doing our best to follow guidance, and to be as safe as possible. After many meetings, much planning and, a whole lot of cleaning, we are ready! Beginning on Monday, January 25, we will be bringing students in grades 4th-6th back into the classrooms.

- We will begin our day at Lundy Elementary at 8:00am until 2:45pm.
- Please send all chrome books, hot spots, chargers and textbooks back to school with the students.
- If you are NOT comfortable with your student attending school in person at this time, please communicate with the school as soon as possible. Comprehensive Distance Learning is still available to students who need this option.
- If school supplies are needed, please keep an eye out for communication from your child's teacher.

This will also require changes to our current transportation needs. All bus times and routes will be altered to accommodate the needs and safety of our students. Parents of students using transportation services (busses, vans) will be contacted via phone regarding changes in pick up and drop off times. Please remember that ALL riders must wear mask while riding the bus.

Currently, guidelines allow us to return to in person teaching with our elementary students, but our Lowell Jr/Sr High School students will continue Comprehensive Distance Learning. We will evaluate the process with our younger students and continue to plan for our older students. We will also watch the metrics and test positivity rate for our county and community when making decisions regarding bringing students back. Please watch for coming communications concerning the transition for our Jr/Sr High School students.

The end of the semester is approaching. Please remind your students to get in any make up work or projects assigned. January 29, 2021, is a grading day and there will be no school.

If you have any questions regarding the upcoming changes, please contact Lundy Elementary at 541.937.2105 or Lowell Jr/Sr High School at 541.937.2124.

As always, be kind and be safe!
