Good Afternoon,

We are excited to announce that we are now offering the convenience of online athletic registration through FamilyID. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

REGISTRATION PROCESS:

A parent/guardian can register by clicking the link above or by going to the athletics tab on the district website.

1. Create and activate your FamilyID account.
2. After you sign up for an account, please check your inbox for an Activation Email from FamilyID. You'll need to click the link in that email to activate your account.
3. Once you have activated your account, you will be ready to register for our program! Click the link below for a "How to guide" on creating an account and registering for a program.

At any time, you may login at www.familyid.com to update your information and to check your registration(s). To view a completed registration, select the **Registrations** tab in the blue menu bar at the top of your screen.
