

Hello Lowell Families and Community!

A big thank you to all the families who came out for the Title Night at Lundy Elementary. The five winners will get their prizes as soon as they are delivered.

There will continue to be a few basketball games and wrestling tournaments over the holiday break, however, the district will be closed otherwise.

Saturday, December 18, from 9am-12pm is the toy giveaway in the Lundy gym. There are some amazing donations for children in the community. We have also received a very generous donation from United Way to help some of our families in the community during the holidays. This season also saw a giving tree at Stomping Grounds. Some kiddos in need will see some extra special gifts this Christmas. For all of the ways this community comes together to care for and support each other, the Lowell School District continues to be in awe. Thank you.

Please remember to look out for our beautiful new facilities. A lot of hard work has gone into the beautification of, and safety features enhancing, our buildings. If you see or hear of someone harming our facilities or grounds, let us know. This includes the dumping of trash and vandalism. We are doing our best to make sure that Lowell School District is a point of pride for our community.

To give our staff a much-deserved winter break, we will not be turning on the track lights. We know that this is a service to our community, therefore we are in the process of putting the lights on a timer so that our community doesn't have to go without. But until then, we will have to take a short break and they will be back on in the new year!

To all our families and community, it has been a pleasure to serve you and work with you the past year. We have overcome challenges, worked through hardships, and excelled together. Wishing you the happiest of holidays and the happiest of new years!

As always, stay safe, healthy, and kind!
