

Hello Lowell Families,

If you have ever wanted to volunteer with the Lowell School District, now is your time! It gives you the opportunity to stay involved in the classrooms, athletics, and the lives of your students. If you want to volunteer, contact the Lundy Office at 541.937.2105 or the Jr/Sr High Office at 541.937.2124. There are also opportunities to volunteer during sporting events at the concessions stand, assisting coaching, holding flags, or checking lines. If you are interested in volunteering for athletics, email the Athletic Director at mgarciacash@lowell.k12.or.us.

The days are getting shorter, the weather is changing, and our bus drivers are taking extra precautions in getting our students home safely. What we also need is help from those in the community. Please look out for the flashing red lights on our buses that indicate that all traffic, both in front of and behind the bus, need to stop. With the rain and dreary weather, it is difficult to see the kids as they cross the road and following these laws will help ensure our kids get to and from school safely. Be alert as kids wait on the sides of the road for their buses. Remind students who ride the bus to and from school as well as to and from athletic events, they need to keep the lights and flashes on their phones from distracting the drivers and stay in their seats while maintaining quiet conversations. Our goal is always keeping our students safe and with your help, we can meet that goal.

For students interested in or are applying to college this year, FAFSA (Free Application for Federal Student Aid) opens on October 1. Ms. Cardwell and Ms. Day are available to support students and families applying.

Next week is Homecoming week at Lowell Jr/Sr High School! Student themes for the week are:

- Monday: Pajama Day
- Tuesday: Stranger Things/80s
- Wednesday: Country vs. Country Club
- Thursday: Lowell Pride

The week will round out with the Lowell vs. Monroe game at home at 7:00pm. Homecoming dance to follow.

Next Friday, October 7, is mandated, Statewide, in-service day for staff. There will be no school on that day.

As always, stay safe, healthy, and kind.
