

Hello Lowell Families and community,

We hope that you had a relaxing and restful spring break! Now we are wishing for some sunshine to make it through the rest of this year!

Be sure to head to Papa's Pizza on Thursday, April 20! Half of all money spent on orders will go towards Lundy fundraising. Don't forget to take a flyer. They are available at the Lundy front office. Last year Lundy did an outstanding job of fundraising for class projects, activities, and supplies.

Lundy Self-manager applications will be going out in a few weeks. If your child has been working really hard, they will get another chance to fill out an application with their teacher's approval.

Friday, April 14, is a grading day and there is no school for Lundy or LHS students so that staff can spend the day working on required grading. Teachers have been hard at work keeping grades up to date. Assignments that are currently 0's are missing. Check in with your student about their grades, and feel free to reach out to teachers. We also have academic tutoring available at LHS after school Monday through Thursday.

State testing starts next week at LHS. 7th and 8th grade English testing begins next week, with 11th grade the week following. Math testing will begin the week of April 24th for 7th, 8th, and 11th grades. Science testing for 8th and 11th grades will be the first week of May. If you have any questions about testing, contact Mr. Metzger at 541.937.2124.

High school baseball has added a home game vs Bonanza on Monday, April 10, at 4:30pm. Junior high track kicks off their season in Oakridge on Wednesday, April 13, at 3:45pm. Keep up to date on the district Facebook page for announcements regarding changes to gametimes and rain-outs. Schedules for Baseball, Softball and Track can be found here: <https://www.osaa.org/schools/41>.

Be on the lookout for information regarding upcoming summer camps for middle and high school students. Many are free but have limited space! See the flyer on FB for additional information.

Mark your calendars NOW for the Lowell SD Family Resource Collaborative Spring Fling on Friday, May 19 (Time TBD) at Lowell Rolling Rock Park. We will have raffles, an outdoor family movie, popcorn, Kona Ice, face painting, Community Library, family fun activities, Summer Recreation and Meals kickoff, KITS and other early childhood health and education resources! Come welcome spring, and usher in the end of our school year (and then sweet, sweet SUMMER) with us! More information to come soon and we hope to see you there!

Stay safe, healthy, and kind!
