

Hello Lowell Families and Community,

A reminder to our parents who pick up and drop off their students: you must stay in your car if you are in the drop-off/pick-up lane. If you need to get out of your car, need extra time situating your student, or need to talk to a parent or teacher, please park in the parking spaces. This is a matter of safety for our students. This lane is intended to move students and parents through safely and quickly. Thank you for your cooperation.
