

Hello Lowell Families and Community,

Welcome to 2024! A big shout out to our class of 2024...they are in the home stretch! The seniors will be hosting a fundraiser through Papa's Pizza on January 15, to help finance their senior trip. Go get some pizza and support the class of 2024.

If you have a kiddo at Lundy Elementary, please remember to send them dressed warmly for the day. It is getting colder, and wetter and we want them to be comfortable so that they can learn.

As the weather changes, please sign up for flash alerts, watch the news report or follow the Lowell Facebook page for any changes such as delays, cancellations, or snow routes. If a decision has been made to make a change, we will also utilize robo-calls to inform families. Please be sure that your information is updated in our systems to help you stay informed. While we don't like to cancel school, we will make all decisions with student safety being the priority.

We are quickly approaching the end of the semester. These grades become permanent on students' transcripts, so please support your student in making sure all assignments are in and complete. You can view your student's grades on ParentVue.

Senior Project presentations will be happening next Wednesday January 17 and Thursday January 18, at Lowell Jr/Sr High School. Parents are welcome to attend, check-in with your senior for their specific time. Come support our seniors in one of their last big milestones in high school.
