

Hello Lowell Families and Community,

They say that if you don't like the weather in Oregon, just wait a few minutes...well last week we had beautiful spring and this week we are playing with winter slush again. We will just wait a few minutes and see what our next weather adventure will be!

It is time once again to mark your calendars for a delicious way to support our Lundy students! The Jersey Mike's fundraiser is on Wednesday, April 10th at the Springfield location! Between 4-9pm, 30% of all purchases will go to our fundraiser!

There is a fantastic, and free opportunity for 4th-6th grade parents. You have the chance to win gift cards, meet other parents, and ask questions about their pre-teens.
