

Hello Lowell Families and Community,

Lundy teachers and students have been working hard to prepare for State testing. We will be starting the first part of May. Please make sure your child comes to school well rested and prepared. Teachers will be sending home additional communication about their exact schedules and expectations during testing times.

Our annual ABC countdown is quickly approaching! If you have not received the countdown, please reach out to your child's teacher. The first day is May 8th.
