

Hello Lowell Families and Community,

The sixth graders had an absolute blast at outdoor school. They got to go canoeing, play extreme Simon Says, go rock-wall climbing, paint rocks, listen to storytelling, do an obstacle course, and many more exciting adventures!

As we continue to wrap things up, students and teachers are continuing the ABC countdown and planning for field day on the last day of school.

Online registration is open for kindergartners, new, and returning students. Registration can be done through the Lowell School District website or by clicking [HERE](#). It is recommended to use a computer or Chromebook when registering. If you don't have either device, one is available for use in the office of each building.

Don't forget! Our final Family Fun Night of the year will be happening June 5th in the Lundy Gym. Kona Ice will arrive at 6:00pm. Events, including games, balloons, hot dogs, and the Eugene Science Factory will be from 5:30-6:30pm.

While Summer participation is not required, many of our amazing high school coaches offer opportunities to grow in the off-season. Please contact them directly for more information. OSAA sports will resume on Monday, August 19. Please make sure your athletes have up-to-date physical examinations prior to the start of the season.
