

Hello Lowell Families and Community,

The Lundy Cookie Dough fundraiser was a huge success! Orders were submitted earlier in the week with a profit of over \$7,000! We cannot thank you enough for all your support. This will help pay for field trips, parties, and classroom supplies. Delivery and pick up will be on Oct. 30th in the gym.

At student pick up and drop off, please park your car if you are needing to get out of your vehicle for any reason. There are several parking spots in front of Lundy, as well as in the overflow area. When you are in the pickup line, students will be sent to your car as you pull up.

Self-manager applications will be going out in about a week. Make sure to talk with your child about what it looks like to be a self-manager.

Our first six-week celebration is next week! For students that have earned it, they will be heading over to the High School to watch *Inside Out 2* with snacks, blankets, and jammies. Teachers will be sending out information regarding this activity.

Now that pictures have gone home with students, we have been notified that several families received the incorrect items. Please be sure to call Lifetouch so they can get you your correct order.

Senior, Harley Hardison earned a \$5000 Beat the Odds scholarship, renewable for four years. The Oregon Development Manager for Stand for Children Oregon will be on campus next week shooting a video featuring Harley for a future fundraising luncheon.

Forty-five Juniors and Seniors attended the University of Oregon College Fair on October 10th. The students had an opportunity to visit representatives from 67 colleges and universities. Students came away with information from many different in-state and out-of-state campuses. Some representatives came from as far away as Florida and Hawaii. Lowell students represented the school very well and seemed excited about different college prospects.

Lowell Jr/Sr High students Hunter Yancey, Madison Thurman, Maddie Skordal, McKenna McComas, Wyatt Smith, and Taylor Sheridan were recognized as Red Devils of the Week last week.

Lowell Jr/Sr High will be conducting *Every 15 Minutes Program* along with the Lane County Sheriff and Lowell Fire Departments on October 22nd-23rd. *Every 15 Minutes* is a nationwide, in-school two day impaired and distracted driving prevention program designed for high school students to combat the ever-growing number of impaired and distracted driving crashes and fatalities each year.

Join us in celebrating the 8th Grade Night on Monday, October 14th as our junior high volleyball team takes on Cottage Grove. The acknowledgement will happen between the B- and A-team games, which kick off at 4:30pm.

Stay safe, healthy, and kind!
