Dear Parents,

The education of your child is one of the most important goals you have in life. Your interest and desire for knowledge concerning your child can be accomplished better by meeting personally with your child's teacher to discuss academic, social, and physical accomplishments or difficulties. Our teachers will have personal conferences with parents on Thursday and Friday, November 7th and 8th. Conferences will be held Thursday from 3:30pm–8:00 and Friday from 8:00am–12:00. There will be no school on Friday the 8th.

We have tried several styles of conferences over the past few years and have found that giving parents the option of meeting virtually has increased attendance. Below you will find links to sign up for a 10-minute conference. You will be given the option of a Google Meet, Zoom, or to meet in person. Due to limited availability, we ask that you sign up to meet with only 3 teachers per child. As always, you are welcome to contact teachers outside of conference time to discuss your child if you cannot attend this week.
