Holidays can be a challenge. If you or someone you know needs help with food this season, here is the link to find emergency food boxes and pantries around Lane County. [Food Boxes in Lane County](#)

As the winter months are upon us, it is important to be aware of school delay/cancellation procedures. Should school be delayed or cancelled, the district will make every effort to make the call by 6:30am. Delay and/or cancellation information will be communicated through text message, Facebook, the district website, local news, and Flash Alert.

The Lowell Board and School District are working to complete Strategic Planning for the future of our schools. We would like to include the input of our community members, parents and students as well. If you have not already done so, please take a minute to use the QR code to access the Strategic Planning Survey and give us your feedback. Thank you for helping us plan for the future of our students.

Stay safe, healthy, and kind!
