

Hello Lowell Families and Community,

Lundy had their second six-week celebration last Friday, 'Staycation', and it was a huge hit! Students got to decorate cookies, drink hot cocoa, make ornaments, play Christmas games, create snowflakes, and watch movies. Nice job to those that earned their way to our 'Staycation'!

Our Christmas Spirit week information went home last week. We hope to see as many students as possible participating!

Looking ahead to next Thursday, December 19th, be sure to mark your calendars for Lundy's Music concert. More information to come.

With the mornings being extremely cold, please remember to send a jacket with your child. Morning recess is very chilly!

Last week's Lowell Jr/Sr High Red Devils of the Week were Aubrey Taylor, Wyatt Johnson, Hunter Vaughn, Elise Skordahl, Gemma Parris, Tanner Coiner, Alexis Owsley, Eli Pickett, and Callum Plahn.

Our exceptional junior high girls' basketball team has been eager to pick up more games, and so we have added one more. Their last game of the season will be Monday, December 16th, at Pleasant Hill. B-team will play first at 4:pm with A-team to follow.

Holidays can be a challenge. If you or someone you know needs help with food this season, here is the link to find emergency food boxes and pantries around Lane County. [Food Boxes in Lane County](#).

Looking for free and low-cost activities for your children and families? Check out this [Facebook page](#).

As the winter months are upon us, it is important to be aware of school delay/cancellation procedures. Should school be delayed or cancelled, the district will make every effort to make the call by 6:30am. Delay and/or cancellation information will be communicated through text message, Facebook, the district website, local news, and Flash Alert.

Winter break begins December 23, with students returning January 7, 2025.

Stay safe, healthy, and kind!
