Lundy also has conferences at the end of the month so be on the lookout for communication from your child's teacher about signing up for a time.

On January 10th, the LHS Choir was invited to a special performance and clinic by the Kaleidoscope Vocal Ensemble, an internationally acclaimed "super-group" of professional singers from across North America. The group was brought to Eugene by the Oregon Bach Festival and the University of Oregon diversity initiative. Our students were treated to a performance, Q&A with the artists, and a small-group clinic — certainly a memorable experience for our young musicians!

Seniors in Mrs. Beckett's Careers class presented their Senior Projects to Mrs. Beckett, Mr. Yakovich, and Mr. Winn on Wednesday and Thursday this past week. The Senior Project consisted of each senior researching a career they were interested in pursuing after graduation. A key component of the project was that each student had to participate in a job shadow of someone in the career they chose.

January is School Board Appreciation Month! We are so appreciative of everything they do and all the support they provide to our district! If you see one of our esteemed board members, take the opportunity to thank them for all that they do for our students, staff, and schools!

Stay safe, healthy, and kind!
