

Hello Lowell Families and Community,

Our 6th graders are tearing up the slopes! They were able to head up to the mountain to go skiing on Thursday and will head out again next week.

Eugene Emerald bookmarks are due next week for our Lundy readers! Be sure to turn those into your teachers so that you can earn two free tickets to a baseball game.

Online registration is open for the 2025-2026 school year. Follow the link <https://www.lowell.k12.or.us/enroll/> to get your student registered!

Last week's Red Devils of the Week were Hayden Savio, Corven Floyd, David Finch, and Maddy Thurman.

A group of students toured Lane Community College. LCC offers hands on learning, academic classes to prepare students for a four-year university, and associate's degrees. Our students are exploring their options!

The Lowell Jr/Sr High has 33 student athletes that have an academic honor pass this semester. That means they earned a 3.5 or better in the first semester and do not have to submit weekly grade check sheets for their participation in spring sports. Way to go Red Devil Athletes.

Junior high track & field practices will begin on Monday, March 17th at 3:15pm at the high school track. A parent meeting will be held at the conclusion of practice at 4:30pm.

We currently have openings on our budget committee. If you are interested, email info@lowell.k12.or.us.

The Lowell School Board has open seats for reelection. Visit Lane County Elections (<https://www.lanecounty.org/cms/one.aspx?pagelid=4081147>) for more information.
