

Hello Lowell Families and Community,

We are overflowing with sweatshirts and jackets in our Lundy lost and found. Please have your kiddo stop by to see if any of their items are waiting for them. If you think your student is missing an item, contact the Lundy office. All items will be donated May 2.

It is hard to believe we are at this point already, but Lundy is gearing up to kick off their annual ABC countdown! We are finalizing details so be on the lookout for the countdown handout within the next week or so.

Grades 3-6 are prepping for state testing. Each class will be starting at the beginning of May. Please be sure to send your student well rested and ready to test each morning for the month of May.

With the sun shining and the buzz of the end of the school year, we are working really hard to continue to follow all school rules. We have one last six week celebration in June and look forward to celebrating with the students that have worked so hard to earn it!

Lundy Student of the Month is Kinkade Kirkpatric! Lowell Jr High Student of the Month is Alauna Young and Lowell Sr High Student of the Month is Maddy Peterson. They are great students in and out of the classroom!

Lowell Jr/Sr High Red Devils of the Week were Kinsley Bazzani, Alauna Young, Eliske Skordahl, Cheyanne McNamee, Maddy Anders, Callie Curtis, Xavier Islas, and Tymur Safarov.

Spring team pictures are Monday, April 28. Please keep an eye out for an email from TWA Photography with details about purchasing packages and make sure your athlete brings their uniform to practice.

Family Fun Night: Superhero Safety is flying your way! April 28, from 5:30-6:30pm, Lowell will host a firetruck and a police car along with other activities and free dinner. Come join us and learn how to be a superhero!

Go to the Lowell Facebook page to check out flyers for summer programs, camps and employment opportunities for students and graduates.

If you are starting to plan your summer vacations, check out free camping sights in Oregon:
