

Hello Lowell Families and Community,

Our wonderful group of 6th graders are headed off to Outdoor School next week! They will spend three days exploring, playing games, participating in activities, and showing 'Dr. Dirt' how clean they can keep their sleeping quarters.

Lundy students are going to get the opportunity to see a live cheetah during an assembly next week. This cheetah has had the pleasure of visiting many schools and teaching students about their habitats.

While we are in the final days of the school year, we are still working hard to be respectful, responsible, and safe. Please make sure to help your students with their continued success in school!

This week's Red Devils of the Week are Wyatt Pelroy and Amelia Cushman.

The staff and students at Lowell Jr/Sr High School would like to show their gratitude to the people of Lowell and Fall Creek by giving back to the community. The school will be holding its 1st Annual Give Back Day on May 30, 2025. If you have a project that can be completed in 2-3 hours, please email Mr. Yakovich at syakovich@lowell.k12.or.us.

The Drama Club performs "Taboo" from May 29-31, 2025. Performances are held in the cafeteria and begin at 7:00pm.
